McBride & Son Homes

builds in over 55 communities in metro St. Louis. It is an employee based company based in Chesterfield, MO and is the largest homebuilder in the states of Missouri. McBride and Son is celebrating their 70th year anniversary.

JOHN EILERMANN CEO AND CHAIRMAN

began his career at McBride & Son in 1986 as an estimator after his graduation from Southwest Missouri State University, and worked his way up to becoming CEO and chair in 2005. Under his innovative leadership, McBride & Son has grown to be the state and regions largest homebuilder. He currently serves on the board of directors of the Home Builder Association of Greater St. Louis, St. Luke's Hospital, board of council for Cardinal Glennon, and board chair of Chaminade College Preparatory.

HOMES FROM THE LOW \$100s TO OVER \$2 MILLION

McBride and Son has homes to fit every family's needs throughout metro St. Louis. From townhomes, to luxury we have something for everyone. We're everywhere you want to live.
